

Welcome to Bella Vida Catering!!

Congratulations! We are excited to meet you and help make your event as stress-free as possible. Our service includes Table Linens, Linen Napkins, Silverware, Glassware, Water Carafes, Table Skirting, Coffee Station, and Service Staff for all of our catering events. We will also have one of our Catering Managers guide you through the entire process.

To get your planning process started, consider the following questions:

1. What is your estimated guest count?
2. Is there a social hour? Would you like hors d'oeuvres?
3. Are you considering a buffet? family-style? Or a plated meal?
4. Do you want desserts? Late night snacks?
5. Do you have a budget?

Answers to these questions will help our Catering Managers customize a more accurate plan for your needs. We pride ourselves on our personal touches and the service that we can give you.

Next, contact our Catering Department to set up a complimentary tasting by calling or emailing us. The tasting is a crucial step in the whole planning process. You will meet our team in person and sample many of our menu specialties. This is the perfect time to talk to your Catering Manager about your budget, your event plans, meals, desserts and any questions you may have. From this meeting, we will be able to give you several quotes based on different scenarios that can fit your vision. This is an exciting time for beautiful memories! We look forward to your special day!
